

## **Below are some of the comments we have received about Little Bears Pre-Schools**

Little Bears Nursery has been an absolute delight for my son. The warm and inviting atmosphere on arrival creates a comforting and playful environment for the children.

The dedicated staff members have always been attentive, caring and always had a smile on their faces. They create a sense of belonging and have provided a nurturing space for my son to grow & learn.

The facilities are light & spacious, filled with age-appropriate toys, books & learning materials. The outdoor play area is wide and secure, allowing my son to explore, run and have fun with his friends. The children over the years have been lucky to have outdoor trips to the adjacent park, village, nearby woods, & local conservation area.

Little Bears Nursery truly exceeded our expectations, & I am grateful for the positive impact it had on my son's early development.
